

AURALUME

— GIVING AURA TO EVERY LIVING —

PRODUCT CATALOGUE 2026 -2027

Welcome To Auralume

We believe lighting is more than illumination.
It shapes experiences , defines spaces , and creates emotions .
At Auralume , every product is designed to deliver performance, elegance , and timeless aesthetics.

01

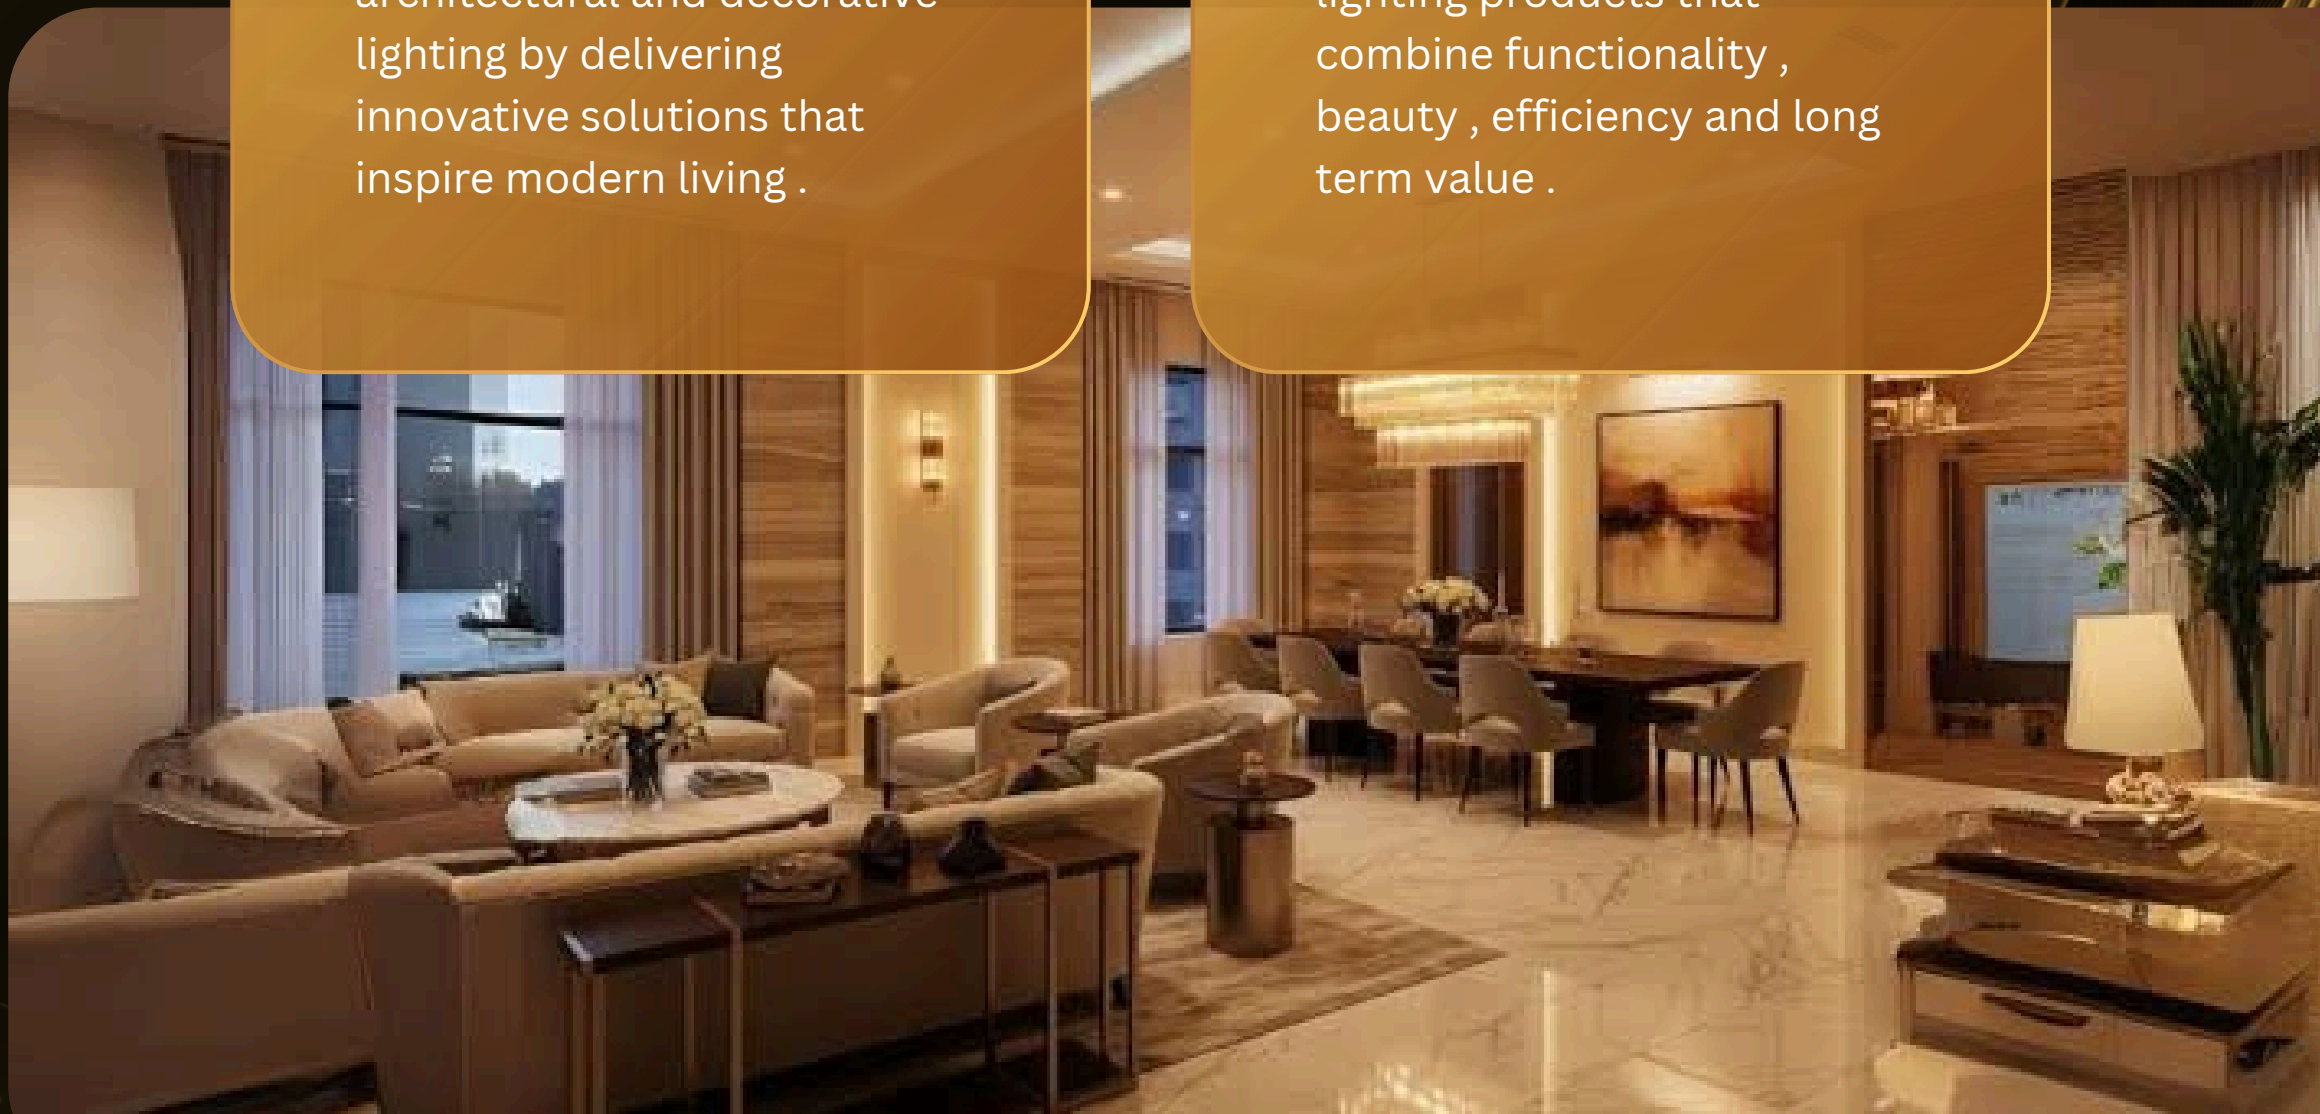

Our Vision

To become a leading name in architectural and decorative lighting by delivering innovative solutions that inspire modern living .

02

Our Mission

To provide premium quality lighting products that combine functionality , beauty , efficiency and long term value .

About Auralume

Auralume is a premium lighting solutions brand dedicated to transforming residential, commercial, hospitality, retail, and landscape environments through innovative lighting products.

Combining aesthetics with advanced technology, our products are crafted to enhance every living and working space while maintaining exceptional efficiency and reliability.

SUSTAINABILITY | QUALITY COMMITMENT |
PRODUCT PHILOSOPHY

Every product is designed around performance, durability, elegance, and energy efficiency. Each Auralume product undergoes stringent quality checks to ensure reliability, safety, and superior performance. We are committed to creating sustainable lighting solutions that contribute to a greener tomorrow.

The spaces that shape India's future – we light them.

Linear Lighting

Linear Light is the use of many Light emitting diodes "LED's" Packaged together in a long narrow housing to create a diffused strip of light. This simple concept has revolutionized the way we light up spaces

NE MBL ELITE 10		24	MM	235x25 MM	55 MM
			245x35 MM		

- Features:-
- Frameless deep recessed linear blade series
 - Non Tilttable & Aluminum die cast body
 - It comes with black concave edge
 - Modern style recessed spot light

LED MAGNA BLADE SERIES

- Features:-
- Mini Recessed Linear LED Spot Light
 - Non Tiltable & Aluminum die cast body
 - You can choose from array of sizes
 - It comes with antiglare lens

LED MAGNA BLADE 15

MODEL	WATTAGE	ANGLE	OUTER DIA	CUT ODIUAT	CHUETI GOHUT
NE MBL 15 2x2	4w	24	52x32 MM	46x26 MM	40 MM

ENGINEERED TO ILLUMINATE | BUILT FOR BRILLIANCE

Technical Specifications

Engineered for Performance. Designed for Precision.

Auralume luminaires are crafted using premium LED technology, high-efficiency drivers, and precision optics to deliver exceptional illumination, visual comfort, and long-lasting reliability.

Auralume luminaires are engineered with advanced LED technology, precision optics, and premium-quality components to deliver exceptional performance, visual comfort, and long-lasting reliability. Designed for architectural, residential, hospitality, and commercial applications, every product combines energy efficiency, superior light quality, and elegant aesthetics to illuminate spaces with precision and sophistication.

Why Choose Auralume

At Auralume, we combine innovative lighting technology with refined design to create solutions that elevate every space. Our products are crafted with precision, premium materials, and architectural expertise, ensuring exceptional performance, visual comfort, and lasting reliability for residential, commercial, and hospitality environments.

01

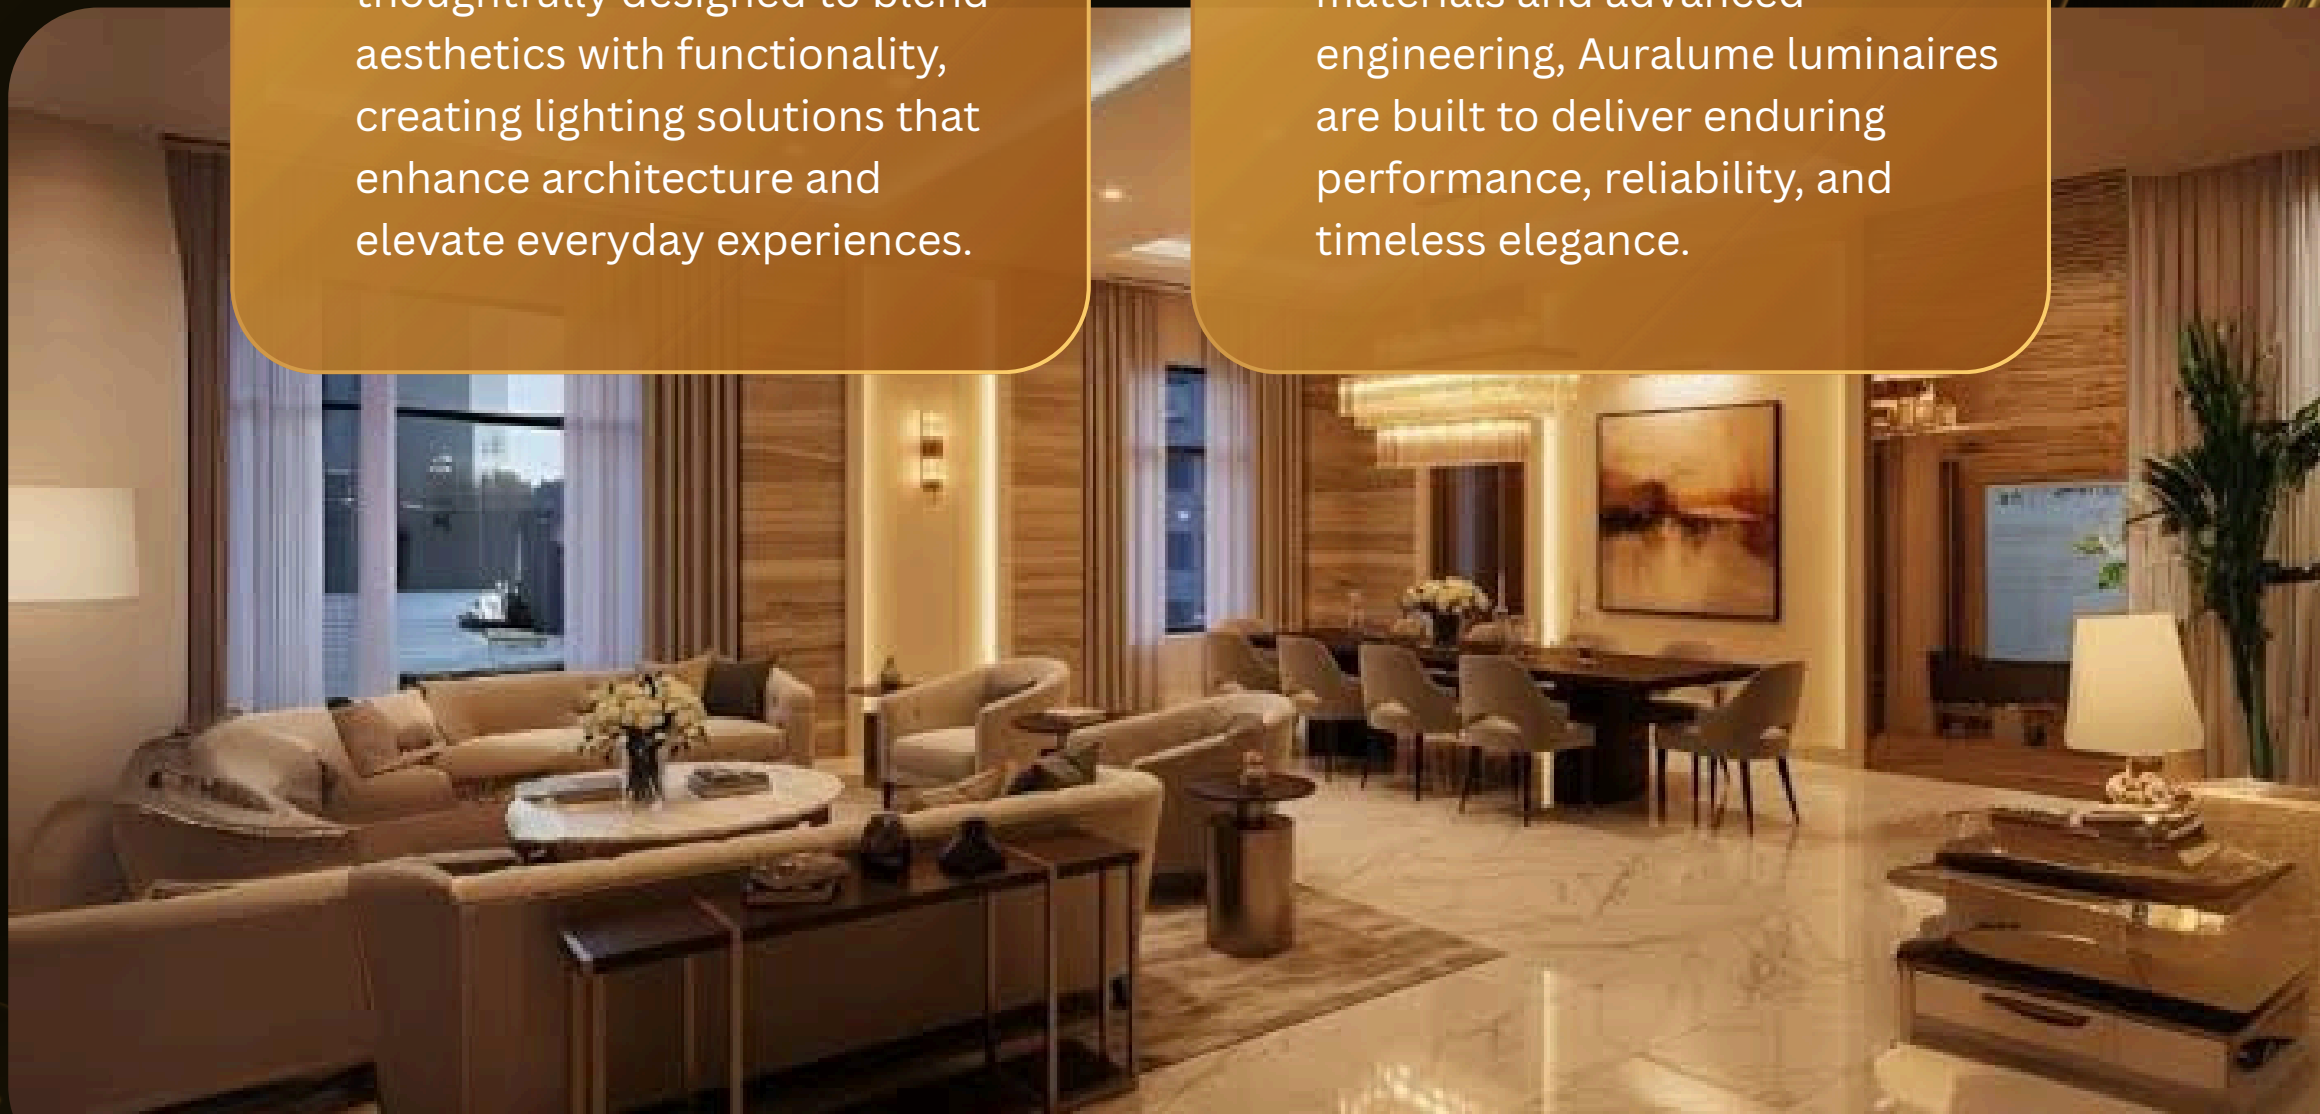

DESIGN PHILOSOPHY

Every Auralume product is thoughtfully designed to blend aesthetics with functionality, creating lighting solutions that enhance architecture and elevate everyday experiences.

02

PREMIUM CRAFTSMANSHIP

Prafted using high-quality materials and advanced engineering, Auralume luminaires are built to deliver enduring performance, reliability, and timeless elegance.
